

The Logical Choice for In-Store Shelf Applications

Shelf**LOGIX**™

Vinyl Shelf Tags, Talkers, Thermal Rolls and Signs

Nashua manufactures a wide variety of vinyl shelf tags, signs, and other shelf-edge marking products for the grocery and retail industries. Brighten your shelf edges with colorful price markers, special sale indicators, and promotional announcements. Shelf tags can also be used for inventory control and product location in distribution centers. From simple to complex, Nashua is your complete provider of label printing solutions.

The logical solution for your in-store shelf applications:

Vinyl Shelf Marking

- Shelf Tags
- Shelf Talkers

Small Roll Thermal Direct

- Durable Direct Thermal Films

Shelf Signage

- C1S Sign Stock
- Uncoated Sign Stock

Lexmark Certified Solution

Nashua provides proven print solutions for a wide variety of equipment, including portable thermal printers, desktops laser and large high speed printers.
