

Introducing the Fastest Delivery in the Business!

Once again, Nashua is first when you need us! We know that from the manufacturing floor to the cash register, an efficient operation demands that your vendor's service levels meet your just-in-time delivery needs. You need your mission-critical transaction printer supplies in the right place at the right time. That's where Nashua can help.

The Pioneer in Fast Delivery

Back in the mid 90's, Nashua was the only paper converter to offer a 72-hour guaranteed ship time for top items. In spring 2000, we improved on that promise by shortening the time from order placement to shipping to 48-hours. Today...

Fast Forward to...QuickShip 2006

Our customers wanted 24-hour turnaround—and we said "absolutely"! Constant investment and improvements in our infrastructure, production capabilities, and IT platforms have resulted in an operation that consistently ships QuickShip products within 24 hours.

Here's How QuickShip Works for You!

To supercharge your operations performance, take advantage of QuickShip by ordering QuickShip products instead of products that require special packaging, footage and labeling. This is how it works:

- Orders of 100% QuickShip products ship by the next business day!
- Make sure your order is in to customer service by 2 p.m. local warehouse time.

- Orders received after 2 p.m. local shipping warehouse time will ship on or before two business days.
- A QuickShip order can contain any combination of QuickShip items. The maximum order of any one QuickShip item is 500 cases.

You Can Order 24 Hours A Day On-line!

To make sure you can get our quality products when you need them, Nashua provides the industry's most comprehensive, easiest-to-use e-business portal on the Internet!

- E-Catalog lets you identify the correct paper and imaging supplies for your transaction printer application quickly and easily.
- Nashua Advantage lets you place orders online, and receive order and shipping confirmations via e-mail.
- Real-time order status lets you to track your POs from order entry to delivery.

Place your next order now! Visit us at <http://ecatalog.nashua.com>.
